An overdraft occurs when you do not have enough money in your account to cover a transaction, but we pay it anyway. We pay overdrafts at our sole discretion, which means we do **NOT GUARANTEE** that we will always authorize and pay any type of transaction, even if previous transactions were paid. If you deposit enough funds to cover all the NSF items (and their related fees) by 11:00 a.m. CT the bank will pay the items, whenever possible.

You will be charged an Overdraft (OD) Item Fee of \$32.00 each time we pay an item into the overdraft. ATM and everyday debit card transactions- that would cause an overdraft, will be declined, at no cost to you if you do not opt-in for these transaction types. Opt-In - If you want us to authorize and pay ATM and everyday debit card transactions you must <u>ask us to</u> by opting in for these transaction types. If we authorize and pay these items, you will be charged an Overdraft (OD) Item fee of \$32.00 each time we pay an item into the overdraft.

Processing Policies

Posting Order: *The order in which withdrawals and deposits are processed.*

We may determine at our discretion, the order that we process and post credit and debit items. Typically, all credits are posted to your account first, and then debits are paid in the following order by category:

- Rejected items from the previous day,
- ATM withdrawals and Debit Card transactions (POS),
- Teller cashed items,
- Automated Clearing House (ACH) items, and
- All other checks

Items inside each category are paid smallest to largest, with the exception of checks, which are paid in sequential check number order. Items may not be processed in the order in which they occurred. The order in which transactions are paid can affect the total amount of overdraft fees incurred. Items are paid based on your account balance.

Funds Availability: *When funds deposited to your account are available.*

Funds deposited to your account are generally available the next banking day if your relationship with us is less than 180 days old. However, if your relationship with us is over 180 days old, then funds are generally available the same day. Some deposited items will be available immediately regardless of how long your relationship has been with us. Those are as follows:

- Cash deposits at the teller line or ATM; and
- Direct deposit; and
- POS Account Credit Transaction; and
- Wire transfers.

If we delay availability from the above referenced timeframes, we will notify you at the time you make your deposit. In some situations, for example when you make a deposit at an ATM, we may notify you after your deposit is made that your funds will not be available for up to 7 business days. A "business day" is a non-holiday weekday.

Please refer to our Funds Availability Policy disclosure for complete details.

Dispute Resolution

If you have a dispute regarding your account or the service you have received, you should notify your local branch or contact us toll-free at **877-968-7962**. You may request escalation of your issue to a Manager, Regional Manager or Bank Officer within Woodforest National Bank. We will do our best to resolve the issue directly with you.

If we are unable to resolve the dispute to your satisfaction, Woodforest accounts have a binding arbitration provision that provides alternative dispute resolution with an unrelated third party, who will evaluate each of the issues presented and deliver an unbiased decision.

Please refer to our Arbitration Agreement for complete details regarding arbitration.

What You Need to Know about Overdrafts and Overdraft Fees

An overdraft occurs when you do not have enough money in your account to cover a transaction, but we pay it anyway. We can cover your overdrafts in two different ways:

1. We have standard overdraft practices that come with your account.
2. We also offer overdraft protection plans, such as a link to a secondary checking or savings account (Account Sweep) or to a revolving line of credit (ReLi), which may be less expensive than our standard overdraft practices. To learn more, ask us about these plans.

This notice explains our standard overdraft practices.

➤ What are the standard overdraft practices that come with my account?

We do authorize and pay overdrafts for the following types of transactions:

- Checks and other transactions made using your checking account number
- Automatic bill payments

We do not authorize and pay overdrafts for the following types of transactions unless you ask us to (see below):

- ATM transactions
- Everyday debit card transactions

We pay overdrafts at our discretion, which means we do not guarantee that we will always authorize and pay any type of transaction.

If we do not authorize and pay an overdraft, your transaction will be declined.

➤ What fees will I be charged if Woodforest pays my overdraft?

Under our standard overdraft practices:

- We will charge you a fee of **\$32** each time we pay an overdraft.
- If an item overdraws your account \$1.00 or less, we will not charge you a fee.
- There is a limit of 3 fees per day that we can charge you for overdrawing your account.
